   b. Audience
   c. Purpose & anticipated outcomes
   d. Supplies needed (e.g., rooms, food, etc.)
   e. How the request aligns with Student Affairs goals
5. Amount of funding requested with an itemized breakdown of expenses

7. Will fundraising be involved in any of your activities? If so, please explain what type of fundraising and how will funds raised be used?
8. List of funding received and/or currently receiving from other departments or organizations and indicate how funding was/will be used.

Proposals are due by the 5th of each month to be reviewed by the committee for funding consideration. The requesting student will be notified of the committee’s funding decision by email within ten (10) business days of the committee’s decision.

If you are requesting funding for an MD Interest Group, please contact the MD SGA Vice President of Finance for assistance.

If you are requesting funding for travel to a conference or meeting, please contact stuserv@wakehealth.edu with the following information: the title of the event you are attending, travel dates, purpose for attending the event (e.g., presenting, speaking), and amount of funding requested.

Requirements of Those Who Receive Funding

To demonstrate the effectiveness and value of the funds provided and to maintain accountability of said funds, we ask for students to provide a 1-page summary of the event within 30 days of completion of the activity. Summaries can include a brief description, how funds were spent, and any outcomes from the event (e.g., quantitative or qualitative data, as well as photos). Please submit the summary to jujohns@wakehealth.edu.
