

2021 Regenerative Medicine Essentials Course

at

 Wake Forest®
School of Medicine

Institute for Regenerative Medicine

June 14-18, 2021

Virtual Sessions Offered for 2021

The Wake Forest Institute for Regenerative Medicine (WFIRM) and the Regenerative Medicine Foundation (RMF) have announced that the 16th World Stem Cell Summit will be held in conjunction with the 8th annual Regenerative Medicine Essentials Course, uniquely formatted this year for virtual attendance .

From the science behind pioneering discoveries and clinical applications, to regulatory and manufacturing challenges, the Summit and the Course will provide a comprehensive look at progress to date, current challenges, and new “hot” topics as well as future applications. The World Stem Cell Summit and the Wake Forest Regenerative Medicine Essentials Course is endorsed by AlphaMed Press and STEM CELLS Translational Medicine, the official journal partner of RMF.

Registration Opens March 1, 2021

Early Bird Pricing Ends April 30, 2021

To register, visit WakeHealth.edu/RMEssentials

Course Director:

Anthony Atala, MD
Director, Wake Forest Institute for
Regenerative Medicine

Course Co-Directors:

Joan Schanck, MPA
Chief Education Program Officer, Wake
Forest Institute for Regenerative Medicine

Bernard Siegel, JD
Founder and Executive Director, Regenerative
Medicine Foundation

Partners:

.....

“The course included an impressive list of speakers with easy to follow information about research, industry and clinical applications of regenerative medicine. The venue was outstanding and included amazing service. Overall, I thought it was very thought-provoking, interesting and chock-full of information with engaging seminars, panels and powerful speakers.”

.....

Course Topics:

- ▶ Stem Cells
- ▶ Biomaterials
- ▶ 3D Printing and Enabling Technologies
- ▶ Cell Therapies
- ▶ Tissue Engineering
- ▶ Regulatory Processes
- ▶ Scale-up and Manufacturing
- ▶ Clinical Trials
- ▶ Commercialization
- ▶ Bioethics and Patient Advocacy
- ▶ Careers Perspectives and Workforce Development
- ▶ New & Advanced Topics e.g. COVID and RM

Designed for:

- ▶ Researchers
- ▶ Clinicians
- ▶ MD, MS and PhD Students
- ▶ Government
- ▶ Industry
- ▶ Technicians
- ▶ Investors and Collaborators
- ▶ Advanced Students and Educators
- ▶ Patient Advocates
