2021 CHECKLIST FOR HIGH SCHOOL SUMMER RESEARCH EXPOSURE PROGRAM

APPLICATION DEADLINE: May 5, 2021

Following instructions closely is an important step towards a successful application. This list is to ensure that you have no confusion about what you need to do to complete your application and make certain that all forms are completed and turned in on time.

Check each of the following off as you complete them. Do NOT wait until the last minute to complete these forms. Deadline extensions are not permitted. Good luck!

☐ Locate and complete the on-line application form posted on the WFIRM website and read through additional forms with a parent. Discuss summer plans and whether you will be able to participate in the "Virtual" program, conducted: June 14-18, 2021 and July 19-23, 2021.

☐ Ask two of your current teachers to fill out a recommendation form for you. Be sure to give each teacher at least three days to complete the form and ask each to put the form in a signed and sealed envelope. Unsealed & unsigned envelopes will not be accepted and will be considered incomplete. Place the recommendations and additional forms in a packet to be mailed to Joan Schanck, Director of the High School Summer Research Exposure Program at the Wake Forest Institute for Regenerative Medicine. Note: Please have teachers return forms directly to YOU. Do not have them mail them to us. You will need to mail their forms to us as described below.

☐ Complete packets must contain the following forms:
  ☐ Signed Agreement and Parental Consent
  ☐ 2 Teacher Recommendations

☐ Place all forms in a large envelope and mail to:

  Joan F. Schanck, MPA, Director, High School Summer Research Exposure Program
  Wake Forest Institute for Regenerative Medicine
  Wake Forest University Health Sciences
  Medical Center Boulevard
  Winston-Salem, NC 27157-7290
  Phone: 336-713-1201
2021 Agreement and Parental Consent

High School Summer Research Exposure Program Applicant Agreement and Signature

By submitting this application, I affirm that the facts set forth in it are true and complete. I understand that if I am accepted, any false statements, omissions, or other misrepresentations made by me on this application may result in my immediate dismissal.

Student Name (printed): ______________________________________
Signature: ______________________________________________ Date: ______________________

Parental Consent

I, ____________________________________, have read and understand all of the above provisions and application information, and consent my child, ______________________________, to apply and to be considered for the 2021 "Virtual" Summer Research Exposure Program provided by the Wake Forest Institute for Regenerative Medicine.

Parent/Guardian Name (printed): ___________________________________
Signature: _________________________________________________ Date: ______________________
2021 TEACHER RECOMMENDATION FORM (Student must submit by May 5, 2021 deadline.

Student Name (printed): ________________________________
Current Grade Level: ___________________________ School: ____________________________________________

Teacher Information

Teacher Name (printed): ________________________________
Subject: ___________________________________
Phone Number: _____________________________ E-Mail Address: __________________________

TO THE HIGH SCHOOL STUDENT APPLICANT: Fill out the applicant information section above and take it to two teachers at your school whom you have asked to recommend you for our program. Please allow your teachers at least one week to complete the recommendation form. You will return the recommendations and required consent forms in a packet to be mailed to Joan F. Schanck, MPA, Director of the High School Summer Research Exposure Program, Wake Forest Institute for Regenerative Medicine, Wake Forest University Health Sciences, Medical Center Boulevard, Winston-Salem, NC 27157-7290.

TO THE TEACHER: Please answer the following questions about the student named above. This student is applying to the High School Summer Research Program at the Wake Forest Institute for Regenerative Medicine (WFIRM). WFIRM is a very sensitive environment that requires a great deal of maturity and the ability to adapt to new situations and work across diverse teams. We would appreciate your insight about the student’s responsibility, dependability and maturity. In addition, we are interested in comments that would help us learn more about the student and which also address the student’s interest and performance in STEM disciplines.

Please make sure to place this form in a sealed envelope and place your signature across the seal. Please make sure to return this form to the applicant in time for it to be returned to us by the May 5, 2021 deadline.

On a scale from 1 to 5, rate the applicant on the following items.

1 = Strongly Disagree; 2 = Disagree; 3 = Unknown; 4 = Agree; 5 = Strongly Agree

<table>
<thead>
<tr>
<th>Rating</th>
<th>Description</th>
<th>Circle Ranking</th>
</tr>
