COMMUNITY ACTIVITIES AND SERVICE

December 2009. Volunteer, Medical Mission Brigade, Hospital Escuela, Tegucigalpa, Honduras: I provided free surgical care for complex urologic reconstruction cases from 12/6-12/11.

July 2011 Visiting Surgeon, Hospital Unversitario de Caracas, Caracas, Venezuela: As an invited surgeon, I provided free surgical care for a patient requiring complex urethral reconstruction. This was televised live via satellite to over 600 physicians at the 14th Annual Venezuelan Congress of Urology.

November 2013 Feed the Homeless Initiative at Green Street Church: As part of a collaborative effort with Temple Emmanuel of Winston-Salem, we prepared and served Thanksgiving meals to less fortunate members of the local community.

May 2014 Stone Mountain Clean Up: I was one of the leaders for the cub scouts in a community service project that involved collecting refuse along the hiking trails at Stone Mountain State Park.

June 2014 Drive for Men's Health: I traveled to Lumberton, NC to provide a lecture for the community regarding cardiovascular issues relevant to men's health. I also arranged a third-party vendor to come and provide free noninvasive screening for endothelial dysfunction (EndoPAT).

April-May 2015 Visiting Surgeon, Mozambique/South Africa: As part of an IVU-sponsored outreach, I traveled to Maputo, Mozambique and to Cape Town, South Africa to conduct surgical workshops in reconstructive urology. I performed live surgery and offered instruction to surgeons and residents.

March 2016 Visiting Surgeon, India: As part of an IVU-arranged outreach, I took a team of surgeons (attendings, residents, and fellows) to India (Ajmer) to perform urethroplasties; we treated over 20 men and provided education to local physicians.

April 2017 Visiting Surgeon, India: As part of our ongoing efforts, I led a team of surgeons (attendings, residents, and fellows) to India (Ajmer) to perform urethroplasties; we once again treated over 20 men (as well as a child) and provided education to local physicians.

April 2018 Visiting Surgeon, India: In our first visit to Rajkot, I led a team of surgeons (attendings, residents, and fellows) to India to perform urethroplasties and didactic education to local physicians.

October 2019 Visiting Surgeon, India: In a subsequent visit to Rajkot, but at a different hospital, I led a team of surgeons (attendings, residents, and fellows) back to India to perform urethroplasties and didactic education to local physicians. We attended the inaugural GURS conference on the way back.
