FACULTY

Wake Forest School of Medicine

Edward J. Goenaga-Díaz, MD
Assistant Professor of Anesthesiology

Challenger L. Griner II, CRNA, MSN
Chief CRNA, Brenner Children’s Hospital

Douglas J. Ririe, MD, PhD
Professor of Anesthesiology

J. Douglas Zife, DO
Assistant Professor of Anesthesiology

T. Wesley Templeton, MD
Former Wake Forest School of Medicine faculty

Leah C. Templeton, MD
Former Wake Forest School of Medicine faculty

T. Wesley Templeton, MD
Wake Forest School of Medicine

Warwick A. Ames, MBBS, FRCA
Assistant Professor of Anesthesiology

John E. Ed, MD
Associate Professor of Anesthesiology and Pediatrics

Lisa M. Enbom, MD
Assistant Professor of Anesthesiology

Nathaniel H. Green, MD, MHS, FAAP
Assistant Professor of Anesthesiology

Kelly A. Machovec, MD, MPH
Assistant Professor of Anesthesiology

Wake Forest School of Medicine

Eduardo J. Goenaga-Díaz, MD
Assistant Professor of Anesthesiology

John E. Ed, MD
Associate Professor of Anesthesiology and Pediatrics

Lisa M. Enbom, MD
Assistant Professor of Anesthesiology

Nathaniel H. Green, MD, MHS, FAAP
Assistant Professor of Anesthesiology

Luke A. Mauzner, MD, MPH
Assistant Professor of Anesthesiology

UNC at Chapel Hill School of Medicine

T. Wesley Templeton, MD
Associate Professor of Anesthesiology

M. Concetta Lupa, MD
Associate Professor of Anesthesiology and Pediatrics

Matthew R. McDaniel, MD
Assistant Professor of Anesthesiology and Pediatrics

Adam M. Suchar, MD
Assistant Professor of Anesthesiology

Eva J. Waller, MD
Assistant Professor of Anesthesiology

Conference Directors

T. Wesley Templeton, MD
Wake Forest School of Medicine

Warwick A. Ames, MBBS, FRCA
Wake Forest School of Medicine

Warwick A. Ames, MBBS, FRCA
University of North Carolina School of Medicine

Adam M. Suchar, MD
UNC at Chapel Hill School of Medicine

Marc J. Dunn CRNA, MSN
Wake Forest School of Medicine

AGENDA (continued)

2:00 – 2:30 pm
Practical Approaches to Ultrasound-Guided Vascular Access in Children: The State of the Art
Edward J. Goenaga-Díaz, MD

2:30 – 3:00 pm
Challenges in Anesthetic Management for Separation of Conjoined Twins
John E. Ed, MD

3:00 – 3:15 pm
Afternoon Break/Exhibits

3:15 – 4:15 pm
Science Fiction: Making Clinical Sense of Basic Science
Douglas J. Ririe, MD, PhD

4:15 – 4:45 pm
Yes, I Do Mind! Fostering Better Team Dynamics
Timothy E. Smith, MD

4:45 – 5:30 pm
Questions/Discussion

5:30-8:00 pm
Reception with speakers for all conference attendees
Incendiary Brewing Company (walking distance)
486 N Patterson Avenue  
Winston-Salem, NC 27101

11th Annual Wake Forest-UNC-Duke
LEARNING OBJECTIVES
The information presented at the educational activity should improve your ability to:

• Effectively manage workplace dynamics within the anesthesia care team
• Explain current and future opportunities for virtual reality in the perioperative period
• Discuss the complex anesthetic management of conjoined twins
• Discuss ultrasound based approaches to central and peripheral venous access in the pediatric patient
• Weigh the potential pros and cons of midazolam premedication in the pediatric patient
• Comprehend the challenges and pitfalls of delivering anesthesia outside of the operating room
• Discuss the physiology and management of hereditary angioedema
• Identify risk factors for and discuss the prevalence of substance abuse among anesthesia providers
• Discuss management of the known pediatric difficult airway using advanced airway techniques
• Weight the pros and cons of midazolam premedication in the pediatric population
• Discuss ultrasound based approaches to central and peripheral venous access in pediatric patients
• Discuss the complex anesthetic management of conjoined twins
• Explain current and future opportunities for virtual reality in the perioperative period
• Effectively manage workplace dynamics within the anesthesia care team

PHYSICIAN CREDIT
The Wake Forest School of Medicine designates this live activity for a maximum of 8.5 AMA PRA Category 1 Credits. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

NURSE ANESTHETIST CREDIT
This program has been prior approved by the American Association of Nurse Anesthetists for 4.50 Class A CE credits, Code Number 1036858, Expiration Date 4/27/2019.

ACCREDITATION
The Wake Forest School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

DISCLOSURES/CONFLICT OF INTEREST
It is the policy of Wake Forest School of Medicine to require disclosure of any significant financial interests or any other relationship a faculty member or planning committee member has with the manufacturer(s) of any commercial products or services discussed in an educational presentation. This information can be found in the digital syllabus.

ADA STATEMENT
The Wake Forest School of Medicine adheres to the Americans with Disabilities Act. Please report to the Department of Anesthesiology at 336-716-2712 any special needs you may have for in participation or accessibility to the educational activity.

CANCELLATION POLICY
Registration cancellations must be received by Wake Forest School of Medicine prior to March 15, 2019. For cancellations after March 15, 2019, a $25 processing fee will be charged per registration.

REGISTRATION
Register online at: http://www.mwhec.org/57521

AGENDA

7:15 – 7:45 am
Registration, Exhibits, and Continental Breakfast

7:45 – 8:00 am
Welcome and Introduction

Fashions in Anesthesia

Scott Segal, MD, MHCM

8:00 – 8:30 am
Pro/Con Debate

A Day Later and a Versatile Short: A Practical Guide to Anesthesia in Children with Hypoplastic Left Heart Syndrome

Kelly MacKinnon, MD, MPH

9:00 – 9:30 am
Current Evidence on the Use of Sugammadex in Pediatric Anesthesia

Adam S. Sodhi, MD

9:30 – 9:45 am
Well. You Did What? Adventures with a Two Year Old and a True Abdominal Mass

Nothon G. Green, MD, MHS, FAAP

9:45 – 10:00 am
Anesthetic Management for Endoscopic Resection of a 39% Obstructing Tracheal Mass

Matthew R. McChord, MD

10:00 – 10:30 am
Morning Break/Exhibitors

10:30 – 11:00 am
Anesthesia and the Apocalypse

Wancho A. Amen, MSBSc, FRCA

11:00 – 11:30 am
Creating a P.L.A.N.: Strategies for Success in Pediatric Non-Operating Room Anesthesia (NORA)

Layth C. Templeton, MD

11:30 – 11:45 am
Hereditary Angioedema and the Pediatric Dental Patient

Emily H. Posselt, MD

11:45 am – Noon
Post-Ed Session

Question – Discussion

Lunch and Learn: Substance Abuse and the Anesthesia Provider

J. Douglas Jeffs, DO, FASA

1:00 – 1:30 pm
An Update on Strategies to Deal with the Known: Pediatric Difficult Airway

W. Huyton Burks, MD

Pro/Con Debate

Midazolam Premedication in Outpatient Surgery

Paraskevas or Mal's Paramedics Bus

Pree M. Einhorn, MD

Con: Rou J. Walker, MD

REGISTRATION
